

Identification of affiliate information on the public Internet as required by the FERC Standards of Conduct Transparency rule in Section 358.7 (e)(1)(2)(3).

Information posted on behalf of all Evergy electric utility operating entities.

Last updated: August 20, 2026

Evergy electric utility operating companies, specifically Evergy Kansas Central, Inc., Evergy Metro, Inc., and Evergy Missouri West, Inc., are Transmission Providers as defined by the FERC Standards of Conduct and are affiliates because they are under the common control of the same parent holding company, Evergy, Inc. (collectively "Company").

The Marketing Function employees performing marketing functions on behalf of the Company are in the Power Marketing department. When applicable, it also includes any contingent workers, contractors, consultants or agents who actively and personally engage on a day-to-day basis in marketing functions for the Company.

Currently, there are no other affiliated entities or internal business units that handle marketing functions.

Marketing Function employees are located at:

- 1200 Main, Kansas City, Missouri, 64106
- 818 South Kansas Avenue, Topeka, Kansas 66612

Facilities that are shared on a day-to-day basis by Transmission Function and Marketing Function employees are: 818 South Kansas Avenue, Topeka, Kansas 66612.

At this office location, there is a transmission system operation control center that is secured and located on a separate floor from the Company's Marketing Function employees.

On Sept. 1, 2017, Great Plains Energy and Westar submitted an application to merge (FERC Docket No. EC17-171). Feb. 28, 2018, FERC issued an order authorizing the merger and disposition of jurisdictional facilities. Westar and Great Plains Energy merged and Evergy, Inc. became the new holding company. After receiving state jurisdictional approvals, the transaction was consummated on June 4, 2018.

In October 2019, the Evergy electric utility operating entities rebranded to the following:

- Evergy Kansas Central, Inc. – formerly Westar Energy
- Evergy Kansas South, Inc. – formerly Kansas Gas and Electric Company
- Evergy Metro, Inc – formerly Kansas City Power & Light Company
- Evergy Missouri West, Inc. – formerly KCP&L Greater Missouri Operations Company
